ANNUALS, GROUND COVERS & TROPICALS

GEORGIA'S PREMIER GROWER & EXCLUSIVE EXPERIENCED SOURCE FOR GREENSLEEVE™

Mobley Plant Farm, Inc. has been serving the Southeast since 1992. We are family owned and operated. The Mobley's have been in the "green" industry since 1961, when Lloyd and Larvis Mobley started and managed Green Brothers Nursery #4 in Chamblee, GA. They went on to partner with Green Brothers in 1976 with their latest store #18 in Doraville, GA. All of the Mobley children grew up in the industry, each developing their own unique roll. Green Brothers Nurseries were sold in 1984 and each of the families had to find a new career path. The Mobley family, with the passion of the green industry still in them, started Mobley Plant Farm in Dacula, GA. It began in August of 1992 with 9 Quonset hoop houses and now we have over 180,000 square feet of greenhouses and over an acre of outside growing area. We welcome you to visit us any time.

We strive to offer high quality bedding plants and the best customer service of any grower. Our knowledgeable staff can answer questions about plant varieties, fertilizers, diseases and insects. Give us an opportunity to provide annual color on your properties; we know you will really like our Greensleeve™ as it allows for faster installation, saving you time and money.

We wish everyone a busy and prosperous season and would like to be part of your team as your choice for seasonal color.

## GREENSLEEVE™

The Greensleeve™ is a biodegradable paper sleeve made from the latest elle paper that has 70% reduced binder. It is thinner, but tough enough to grow sturdy 4" well rooted, healthy and beautiful plants. This latest Greensleeve will biodegrade over the course of the season, allowing for the reworking of your beds for the next season. The Greensleeve is a sustainable product that is necessary for the professional landscaper.

### ENJOY THE MOBLEY'S GREENSLEEVE™ ADVANTAGE:

- **Better Plant Growth** – Healthier root system; acclimate faster
- **Quicker to Plant** – Up to 40% faster, with savings in labor cost
- **Environmentally Friendly** – With less plastic and waste
- **Recycling Program** – Return trays to us or arrange for pick up with your next order
- **Lower Carbon Footprint** – Landscapers and homeowners appreciate sustainability

Pop'n Plant™
